### Objective

---

Computer Science student at the Arab Academy for Science, Technology, and Maritime Transport, seeking a summer internship to apply programming skills, gain industry experience, and contribute to software development projects. Passionate about learning and improving in real-world tech environments.

### Education

---

**Bachelor of Computer Science** 2023 – 2027

*Arab Academy for Science, Technology, and Maritime Transport (AASTMT)*

Major: Software Engineering

GPA: Very Good

**High School Certificate** 2023

*Nozha Language School*

### Technical Skills

---

#### Programming Languages

Java, C++, Python (basic), HTML, CSS

#### Concepts

Object-Oriented Programming, Data Structures, Basic Algorithms

### Soft Skills

---

#### Problem Solving

#### Teamwork and Communication

#### Active Listening

Have the passion to learn

### Languages

---

#### Arabic

(Native)

#### English

(B1 - Intermediate)

### Projects

---

#### Smart Fitness Band

*Java (OOP Project)*

- Developed a basic health and activity tracker app in Java.
- Applied object-oriented programming concepts with a simple GUI.

## **Smart Transport App**

### *Software Engineering Project*

Designing a ride-hailing app similar to Uber ,which focus on helping the people that have desability .

- Includes use case diagrams, Activity Digram,Sequance dugram, and SDLC implementation.

## **Extracurricular Activities**

---

### **Student Union Member**

#### *Revolution of Union, AASTMT*

- Member of PR and Partnerships sub-team.

Helped organize events, coordinated with brands, and worked on internal/external communications.
